

Introducing pay and display in the Kingsland off-street public car park

Auckland Transport (AT) is working with the Kingsland Business Association, Albert-Eden Local Board and the local community to improve the way parking is managed within the Kingsland Village area.

To help ensure that visitors to Kingsland Village can find a park, pay and display parking is being introduced in this car park. The following changes are being introduced in late November 2015.

- Pay and display parking as shown below - \$1 per hour for the first two hours. \$4 per hour for two hours or more
- No time limits in pay and display areas - just pay for what you need
- 10 minute grace period - If you are parking for less than 10 minutes you do not need to pay
- Pay and display will operate between 9am to 9pm, Monday to Saturday
- Free time-restricted parking on New North Road (west of 519) and Kingsland Terrace
